Dear John and Tim:

I hope you are both well. As I indicated when we spoke in Olympia earlier this month, Amaroq, Sophia, and I are trying meet with all the commissioners in small groups to discuss our wolf rulemaking petition before the vote on September 8. If the timing works out, we would love to talk to the two of you together.

Could you both let us know if you would be available to meet during any of the following dates and times over the next two weeks?

Subject: Dinner Thursday

Hi John, Woody, and Steve,

If you don't already have plans, Wendy and I would like to invite you to our place for dinner on Thursday night. It would provide us an opportunity to get to know each other better, and perhaps talk about the role of science in our work. I will certainly understand if you would rather not, as I am usually whipped after a meeting day, but if you are willing that would be great. We have an executive session scheduled until 5:30, so sometime around 5:30 to 6:00 would be great. We'll make it an early evening because we have a full schedule on Friday. Our address is 4006 Castilleja Place, about 15 to 20-minute drive from downtown.

Either way, I look forward to seeing you all at the meeting. And oh, if you have any dietary restrictions, please let us know. We are planning on having mud slugs with lots of ketchup.

Subject: Based on my notes

I have notes before the note about the serial meeting composition to schedule a meeting with Barbara, Tim, and Joe at 9 or 10am on Thursday. That ended up being scheduled on July 18, 2024. The next meeting the WDFW Exec. Committee had with the NWIFC Exec. Committee was on July 26th at 2pm.

My notes say that Barbara and Tim wanted to meet with small groups of the Commissioners tomorrow (Wednesday) for 1 hour starting at 8am with a hard-stop at 1:30pm, to discuss the G2G meeting on the Conservation Policy. I'm pretty sure that Barbara called me to me on July 23rd. The two of them wanted to meet separately with Jim/Molly, then with John/Lorna, then with Steve/Woody, and then Tim would talk with Melanie individually.

I called Joe after I got off the phone with Barbara. He indicated to me that it was absolutely a serial meeting, and that he wasn't going to bother getting ahold of Barbara about it, because he's already advised her against doing that, and that's she's an attorney, so she fully understood what she was doing. He also said he didn't recommend I schedule the meetings. When I called Barbara back to discuss, she told me that her and Tim knew that's what they were doing, but hoped to just ask for forgiveness rather than permission, if anyone raised a stink about it. She told me I'd done the right thing about it by getting legal's advice on it, and to not worry about scheduling the meetings.
